Lieve to Read Summer 2024

Throughout the school, the children enjoy a daily 'Love to Read' session. This is a ten-minute session whereby the class teacher shares high-quality, carefully selected texts from a range of genres which promotes deeper meanings, as well as an understanding of the wider world. Through these texts, the children will be encouraged to explore our school values of love, hope and truth and develop their breadth of vocabulary. Please see below a selection of books that will be explored during the Summer Term.
