

STORYTELLING FOR LIFE

You are invited to join your child at St James' Nursery for an afternoon of intergenerational story telling. Whether this is a parent, carer or grandparent, our afternoon is for everyone.

Thursday 27th February

14:15 – 15:00

Gemma will be joining us from Truth Be Told, which is an intergenerational storytelling project. She will be leading an imaginative, interactive session with a short story, well-known nursery rhymes and bringing her bag covered in pockets and full of props. It will be a time to share memories, ideas and have fun together.
